Sales actions on stand

## COLOMARK SPOTMARKER

Professional ground marking with user-friendly one-handed safety cap for highest requirements.

- highest productivity
- intensive luminosity
- self-cleaning valve

## COLOMARK ECOMARKER

The special chalk formulation makes the Ecomarker a particularly environmentally-friendly marking spray.

- plant-friendly ingredients
- easily removable with water
- neutral in wastewater, groundwater and surface water

## COLOMARK LINEMARKER PROTECTION

Sealing varnish for COLORMARK LINEMARKER especially in areas with high mechanical pressure.

## COLOMARK MARKING PLATES

The add-on parts made of stainless steel are to be attached on both sides of the cart by means of a magnet. During the marking they serve as boundary line for especially square edges.

## COLOMARK ALLROUNDMARKER

The special allround marking spray with capillary tube spray head and safety cap is perfect for accurate lettering. The 360° valve makes it possible to spray in all positions and directions.

## COLOMARK LINEMARKER

Special marking spray for durable markings on parking area, industrial facilities and security signs.

- very wear-proof
- highly resistant to light and weather
- very dirt repellent

## COLOR TRAFFIC YELLOW

The new color „traffic yellow“ is developed especially for requirements on industrial grounds, which are polluted very fast.
